 - See § 5
- Mail(s)/letter(s):
 - Mail of 16/08/2018 by Mr. Mark Shaw, with the confirmation that the certified product(s) have not changed

Date : 17/08/2018
Number of pages : 2
Enclosure(s) : /.
Distribution : or. Parkside Flexibles (Europe) Ltd
cc.

For the Manager

5. CERTIFICATE(S) TO PROLONG

The following certificate(s) are subject of the current prolongation: see "Overview of evolutions"
(at the end of this report)

6. EVALUATION**6.1 Modification of certified product(s)**

The certified product(s) has/have not been changed and do(es) still fully correspond to the product description of the previous certification report. Therefore the product(s) still meet(s) the requirements of the actual certification scheme (see § 3).

7. CONCLUSION

Taking into account the above made evaluation, we conclude that the submitted certificate(s) can be prolonged.

IMPORTANT NOTE –All specifications and limitations of the previous certification are still valid and have to be respected.
